

# Connecting Web Security to Vision One

—

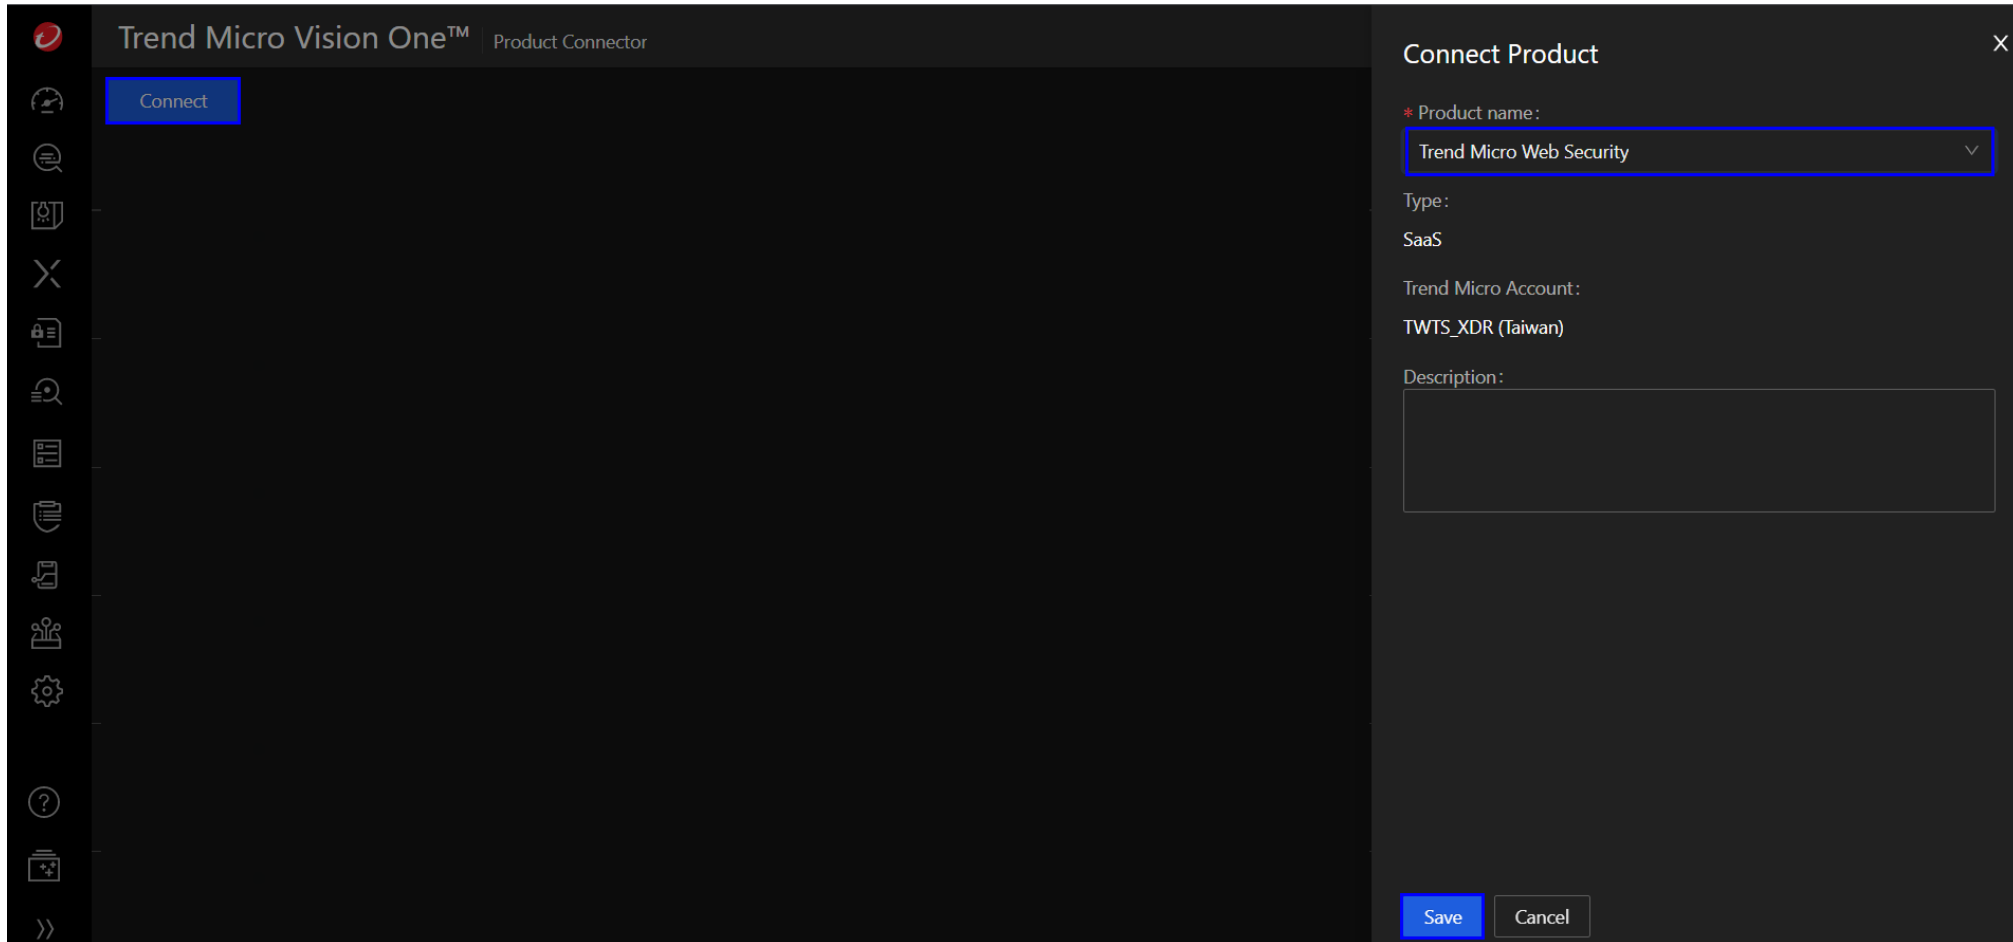

# Connecting to Vision One

- 請登入Vision One, 至Product Connector頁面。

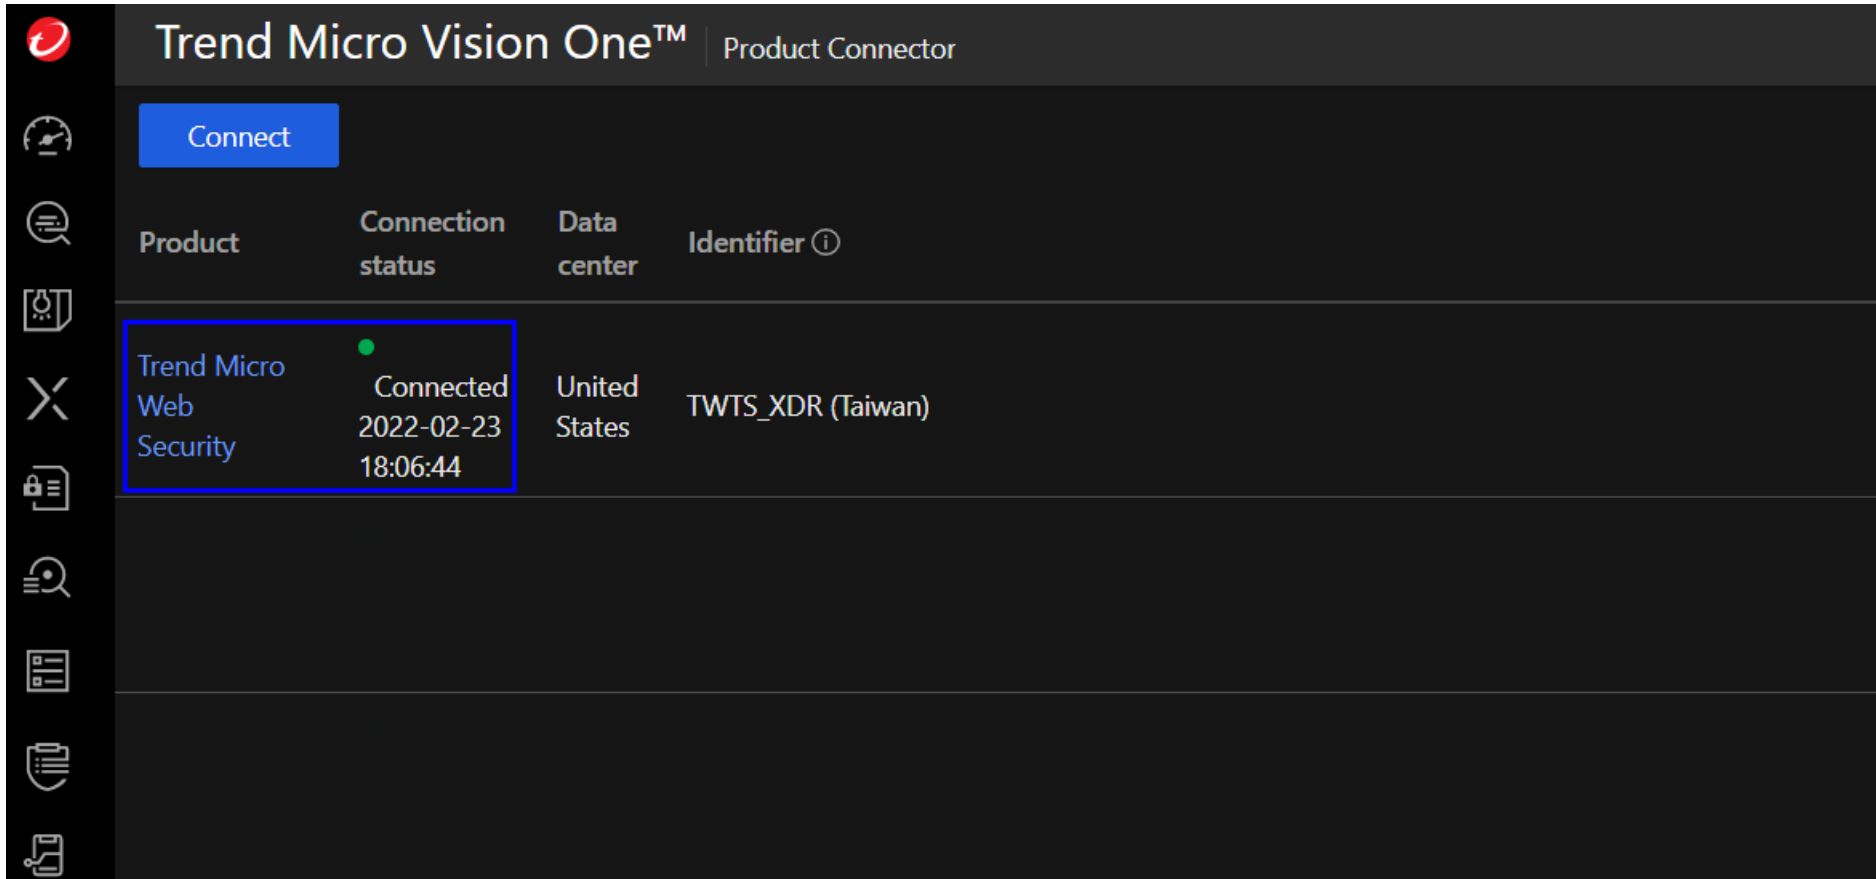

# Connecting to Vision One

- 點選Connect, 於右方Connect Product選擇Trend Micro Web Security點選Save。

# Connecting to Vision One

- 確認已出現Trend Micro Web Security, 且Connection status為綠色 Connected即可。

The screenshot displays the Trend Micro Vision One™ Product Connector interface. A blue 'Connect' button is visible at the top. Below it, a table lists connected products. The first entry, 'Trend Micro Web Security', is highlighted with a blue box. Its connection status is 'Connected' with a green dot, and the timestamp is '2022-02-23 18:06:44'. The data center is 'United States' and the identifier is 'TWTS\_XDR (Taiwan)'.

Product	Connection status	Data center	Identifier ⓘ
Trend Micro Web Security	Connected 2022-02-23 18:06:44	United States	TWTS_XDR (Taiwan)
